

AERO V-2+ Improved

Fixed-height frame in a V-shaped design for meeting tables that require that added touch of style.

- Unique design
- Different height and size options
- Design it yourself

AERO V is a robust frame that brings that added touch of style with its neat V-shaped design. There are various width and length options in a range of sizes, and the frame can easily be assembled together with any table top to create the design of your choice.
